WEEBLY

COST: free!

Product-Based/Consumptive

**Rating:** 4+

Web Version: Yes

Accounts: Eanes teachers can set up student accounts under the teacher's Weebly account

Differentiation: Students can upload their own text, images, and videos.

Reporting: The teacher can see all student websites.

Ads and Inappropriate Content: Student websites can be private, or public and password protected.

Author: Jolie Jennings

CCE GT students used Weebly blogs as part of their Decades project.

SUMMARY:

Students can easily post to their own blogs with the Weebly app. Text, photos, and videos can be added to student blogs.

ADDITIONAL SUPPORT RESOURCES:

- Weebly Help Center- http://hc.weebly.com/hc/en-us

- Complete Library of App Integration Snapshots

Across The Classroom

**Book Log:** Students can document their reading with book reviews, summaries, or book trailers

History: Students write blog posts from the point of view of someone from the past

**Art Gallery:** Post pictures of a work in progress and the finished product

App Smash: Use the links to your Weebly blog to create Thinglinks

1. Once student accounts have been set up by the teacher, student can open the Weebly app and create a blog.

2. Students can add text, photos, or video.

3. Blog posts are easy to share, and can be password protected for privacy.
